

COMMENTS/QUESTIONS TO SOLICITATION
22 August 2005

C.5 2005:Jul:20:14:29:04	C.5.1.5.2	Does SP also track payment? Does SP track this for all services or just those under SP responsibility?	The SP is to make costs distribution and fee-for-service calculations for all ITIM services and enter those amounts into the existing accounting system (currently CEFMS).
C.5 2005:Jul:20:14:30:26	C.5.1.6.2.3	Is this a SP cost?	The SP is to implement all ECP's approved by the USACE CCB. This is to be implemented as a contract modification at the Governments request.
C.5 2005:Jul:20:14:32:26	C.5.1.8.2	Clarify that SP only participates if equitable adjustment is made. When overseas work is required, is per diem, etc. given?	The SP is to develop, maintain and execute IMIT contingency plans for those sites included in this solicitation as a part of the firm-fixed price portion of this solicitation.
C.5.7 2005:Aug:12:13:42:31	C.5.7.10.3	Topic: workload Is the service provider expected to provide information back to the Corps that will be used to bill back to individual Corps customers under the fixed fee portion of the contract? Some support categories are heavily in only one or two areas of the Corps.	Yes
